SUBJECT: **POINT OF DISTRIBUTION (POD) FLU IMMUNIZATION OUTREACH**

This is to inform you of special seasonal flu outreach activities that have been added to the Department of Public Health's (DPH) County-wide efforts this year. In November, DPH is collaborating with its community partners to provide flu immunizations using streamlined operations that would be used during a public health emergency (known as Points of Distribution or PODs). These events will serve a dual purpose of providing needed flu vaccine to our communities, and the opportunity for DPH and partners to work together to exercise our emergency response capabilities. The flu PODs, which are also included in DPH's master flu clinic schedule at <http://www.lapublichealth.org/ip/flu/2007-2008>, will be conducted at the following locations:
